DESIGN PROCESS

1 DOWNLOAD PRODUCT TEMPLATE

Select which product you want to purchase and download a template from our instructions and templates page. For assistance with templates, call 877-775-0276. For assistance with templates, call 877-775-0276.

2 SUBMIT YOUR FILES

If you are able to layout your design in the templates provided, upon receipt of email confirmation of your order, please upload your files to our FTP or email to our art department:
art@brandsolutionsonline.com
 If you have nothing to start with, we can help implement design (see above fees for design time and elements).

If you have existing files but are unable to assemble them for production please submit what you have and let us know what assistance you may need. If you need our graphic support, please call for assistance.

PREFERRED ART FILE FORMATS
 Adobe Illustrator CS5 - .AI or .EPS files. Adobe Photoshop CS5 - .PSD, .TIF . JPG or .EPS files.

ALTERNATE ART FILE FORMATS*
 Adobe InDesign CS5 as separate pages with all fonts outlined exported as .PDF files.
Due to incompatibility issues we can not accept Corel Draw files. Please export as a .EPS or .PDF.

* Using alternate art file formats may result in additional art preparation charges and or delays to your project.

3 WORKING WITH DESIGNER

Once we receive your files or design request, our designer will contact you to discuss your needs. It takes 2-4 business day, in some instances, longer to complete the design depending on the complexity of your needs.

4 APPROVE PROOFS

You will need to review and indicate changes or approvals for your project. Once we have final approval you will need to finalize your order by choosing productions time options and shipping method. Production time differs for some products and graphic assistance.
